Change is not easy, but it is possible. Often, we get stuck in our ways – even if those ways are no longer serving us. This is as true for individuals, as it is for companies.

Entrepreneurial companies are notoriously change-averse. But growth, without the commensurate change, is a recipe for failure.

“That’s been one of my mantras - focus and simplicity. Simple can be harder than complex: You have to work hard to get your thinking clean to make it simple. But it’s worth it in the end because once you get there, you can move mountains. ”

Steve Jobs
